Interview Summary

This communication relates to patent application serial number 09/858,384; and provides an interview summary of the interview conducted on November 12, 2008. The interview summary follows:

Attorney Daniel J. Schlue and Examiner Jared W. Newton had a telephone interview and discussed a proposed amendment to overcome the Kelly reference as applied. The Examiner agreed that the amendment would overcome the rejections set forth in the final rejection. The scope of the subject matter discussed during the telephone interview was limited to Applicant's proposed claim amendment directed overcoming the currently pending rejection. No part of the telephone interview was directed to the filing of an RCE with the Applicant's response to the final office action.
